Account Terms

These account terms, along with the summary box and our Savings Terms and Conditions, apply to your 18 Month Fixed Rate Bond (your bond).

If there is any difference between these account terms and the Savings Terms and Conditions, these account terms will apply.

Opening your bond

To open and use your bond, you must:

- be a UK resident, meaning that you have your permanent home in the UK (except the Channel Islands or the Isle of Man); or
- a Crown employee (employed by the Government and serving overseas), or married to or in a civil partnership with a Crown employee.

You'll need proof of your address and identity.

Your bond will open on the date we receive your correctly completed application.

The account can have up to four joint account holders. You can add new account holders once the account is open.

You can open the account in your own name online. The account cannot be opened online by someone acting on your behalf (for example, a trustee or someone who has power of attorney to act for you).

This bond has limited availability. We can stop accepting new applications at any time.

Putting money into your bond

The first payment into your bond must be at least £500. If we do not receive the payment within five business days of the account opening, we will close it.

You can make payments into your bond by cash, cheque or electronic payment from another UK bank or building society account, or a Principality account in your name, if allowed by that account.

If we stop offering this bond to customers, you cannot make further payments into it.

You must keep at least £500 (the minimum balance) in your bond. If your bond reaches £2,000,000, you cannot pay any more money in.

This bond has a fixed interest rate, so it won't change before the end of the 18 month fixed term.

We work out the interest on the money in the account daily. You can choose to have the interest paid every month or at maturity (when the fixed term comes to an end).

If you choose to have interest paid at maturity, it will be paid 18 months after the date your bond opened.

Maturity interest can be:

- paid into your bond;
- paid into another Principality account in your name; or
- paid by electronic payment into another UK bank or building society account in your name, if the interest is £5 or more.

Monthly interest will be paid on the same day each month, starting one month after your bond is opened.

Monthly interest can be paid into another Principality savings account in your name or, if the interest is £5 or more, by electronic payment to another UK bank or building society account in your name.

Taking money out of your bond

This is a fixed-term bond, so you can't take money out of the account until the end of the 18 month fixed term.

When your bond matures

Your bond will come to an end (mature) at the end of the fixed term (18 months after the date it opened).

We'll contact you before the end of the fixed term to find out what you want to do with your money.

If we don't hear from you before your bond matures, we will move all of the money in your bond into our Instant Access Account or the nearest equivalent we offer at the time.

Closing your bond

As this is a fixed-term bond, you can't close the account until the end of the 18 month fixed term.

We will close this account if the money in the account falls below the minimum balance.
