* Gross interest is the rate of interest before income tax is deducted at the rate set by law.

† AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest were paid once each year on the whole balance, including previous interest payments.

^ Tax-free means UK Income Tax and Capital Gains Tax is not deducted from the interest you earn. This depends on your individual circumstances, and may change in future.

• To help us maintain our service and security standards, telephone calls may be monitored and recorded.
