

Summary Box

What is the interest rate?	<p>3.50% Gross* each year/AER† (Variable) (See the meanings of 'Gross' and 'AER' below this summary box.) Interest is calculated each day on the money in the account and paid on 1st January every year.</p>
Can Principality change the interest rate?	<ul style="list-style-type: none"> • Yes, variable interest rates can go up or down. • If you have £100 or more in the account, we will give notice of any reduction in interest rates at least 14 days before the change takes effect. • For more information, see the section Changes to interest rates in our Savings Terms and Conditions.
What would the estimated balance be after 12 months based on a £1,000 deposit?	<p>£ 1,035.00 This is based on no payments being taken out and no change to the interest rate.</p>
How do I open and manage my account?	<ul style="list-style-type: none"> • This account will be opened by us three years and one day after the death of an ISA account holder, or the date the administration of the estate of an ISA account holder is complete, whichever happens first. • When the account is opened, we will be using any money still held by us in the ISA account holder's cash ISA. This means, the money will lose its ISA status. • No other money can be paid into this account. • The minimum balance is £1. • The account can be managed in branch, at an agency or by post.
Can I withdraw money?	<ul style="list-style-type: none"> • Yes, the person(s) managing the estate can make a withdrawal or close the account, at any time.
Additional information	<ul style="list-style-type: none"> • Service charges and costs may apply to the account. These are set out in our Tariff of Charges. • Tax may have to be paid on the interest earned on this account, directly to HMRC. For more information visit gov.uk and search tax returns for someone who has died. • In certain circumstances we may refuse an instruction for using an account. These circumstances are set out in our Savings Terms and Conditions. • The interest rates quoted above were correct on 10/08/2023

Account Terms

These account terms, along with the summary box and our Savings Terms and Conditions, apply to the Instant Access (Ex ISA) (the account).

If there is any difference between these account terms and the Savings Terms and Conditions, these account terms will apply.

Opening an Instant Access (Ex ISA)
 This account will be opened by Principality Building Society using the funds from an ISA held by a customer who has died either:

- three years and one day after the account holder has died, or
- on the date the administration of the estate of the ISA account holder is complete

whichever happens first.

Putting money into an Instant Access (Ex ISA)
 We will open one of these accounts for each ISA held with us by the account holder who has died.

The person(s) managing the estate cannot make any payments into this account after we have opened it.

The person(s) managing the estate must keep at least £1 (the minimum balance) in the account or it will close.

The Instant Access (Ex ISA) has a variable interest rate. This means that the rate can go up and down. This is explained in the Changes to interest rates section of the Savings Terms and Conditions.

We work out the interest on the money in the account daily and pay it into the account on 1st January each year (annually).

Taking money out of an Instant Access (Ex ISA)
 The person(s) managing the estate can take money out of the account at any time without losing interest.

For more information on taking money out of the account, see the Savings Terms and Conditions.

Closing an Instant Access (Ex ISA)
 The person(s) managing the estate can close the account at any time without losing interest.

We will close the account if the money in the account falls below the minimum balance.

Meanings of Interest terms

* **Gross** interest is the rate of interest before income tax is deducted at the rate set by law.

† **AER** stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest were paid once each year on the whole balance, including previous interest payments.
